Thokozani Mlambe September Report

+4 is good. Keep maintaining

Without study, even the best player is checkmated by life. Just as every move shapes the game, every hour of study shapes your future.

Lock in!!!

Melokuhle Lushaba September Report

Good to have you in the database!

“Even pawns rise when patience guides them.”

Think of it like this:

**You’re already the best chess player.
Your consistency is the key to unlocking
that reality!**

-Coach Armiel

Port Shepstone High School Chess Club 2025

Mpilwenhle Dlamini September Report

“The ladder to mastery is climbed one square at a time.”

Play more blitz!

P.S. This account is currently in my database. The new account you provide will be used henceforth :)

Sphiwe Ndlovu September Report

Good to have you in the club!

**From the games we've played and the
games I've watched you play:**

**The 337 rating is NOT a reflection your
true strength!**

Think of it like this:

**You're already the best chess player.
Your consistency is the key to unlocking
that reality!**
